

Educational Video Series
BATTLE BRAZIL:

Defeating T2DM in the ASCVD Patient

Part 1 The History in the Battle of Insulin and Glucagon

Chair: **Raul Santos** (Brazil)
Introduction to the section

Video 1: Diabetes and the changing landscape of atherosclerosis
Peter Libby (USA)

Video 2: Inflammation, insulin resistance and atherosclerosis
Paul Ridker (USA)

General take home message: **Raul Santos** (Brazil)

Part 2 Combating Atherosclerosis: Assessing CV Patient Risk for the T2DM Patient

Chair: **Raul Santos** (Brazil)
Introduction to the section

Video 1: Diabetes mellitus and cardiovascular disease
Naveed Sattar (UK)

Video 2: Subclinical atherosclerosis and cardiovascular risk in prediabetes and diabetes
Rhanderson Cardoso (USA)

General take home message: **Raul Santos** (Brazil)

Part 3 - Session A

A Hierarchy of Treatment Approaches based on Severity for the T2DM Patient with ASCVD

Chair: **Viviane Rocha Giraldez** (Brazil)

Introduction to the section

Video 1: Atherogenic dyslipidemia, cardiovascular disease and diabetes

Aruna Pradhan (USA)

Video 2: Hypertension, kidney disease and cardiovascular disease in diabetes

Keith Ferdinand (USA)

Video 3: Glucose control for prevention of cardiovascular disease

Alice Cheng (Canada)

General take home message: **Viviane Rocha Giraldez** (Brazil)

Part 3 - Session B

Therapeutic options for prevention of cardiovascular disease

Chair: **Antonio Carlos Chagas** (Brazil)

Introduction to the section

Video 4: Impact of SGLT2 inhibitors on heart failure and kidney endpoints

Stephen Wiviott (USA)

Video 5: Impact of agonists of GLP-1 on atherosclerotic cardiovascular disease

Kathleen Wyne (USA)

Video 6: LDL-c reduction and prevention of CVD in pre-diabetes and diabetes

Samia Mora (USA)

General take home message: **Antonio Carlos Chagas** (Brazil)

Part 4

Round table with the experts

Where do we stand in our battle against the ravages of diabetes?

Chair: **Peter Libby** (USA)

Discussants: **Viviane Rocha Giraldez** (Brazil) and **Raul Santos** (Brazil)

Final take home message
